## **DR #1501-17943 8/01/15 2230 hours Stranger Rape 436 South Main St RD 0144**

The victim was drinking at two bars throughout the night, the Down and Out and the Aqua Bar. The victim drank beer and several shots of whiskey. She last remembered being at the Down and Out bar with a friend. The victim said she then woke up face down on the floor with the suspect on top raping her. The victim managed to push the suspect off of her and got dressed. The victim remembered a second male in the room sitting on a couch. The suspect and the second male were both Hispanic. She fled the location and an unknown female called the police for her. The victim was sure she was in an apartment at 436 South Main St. She did not know where in the building she was.

Detectives are in the process of talking to possible wits at both bars and looking for video. The I/O is also pulling the 911 call to locate the PR on the night of the incident. Detectives are canvassing 436 South Main St for any information. As of now the victim has not been reached. The victim appears to have an issue with alcohol. She had been booked twice within the last four years for DUI. Her last arrest was for felony DUI (2011) where she was given three years of formal probation. Detectives did not respond on the night of the incident.
